

Sisters Adorers

We are an **international religious Congregation** founded by Saint María Micaela. **We accompany women** who have suffered exploitation, violence, and other situations of exclusion.

We are present in **24 countries** across Europe, America, Asia, and Africa

We offer alternatives and opportunities through the **Adorers' pedagogy**, with a focus on **human rights**. We develop programmes **to accompany women** who are exploited and have their rights violated.

INTERVENTION ACTIONS

We carry out the intervention through **three major actions**:

86 SOCIAL PROGRAMS

We provide options for shelter, training, and empowerment to women in prostitution or victims of trafficking.

35 EDUCATIONAL CENTERS

We provide value-based education to children and teenagers, with a particular focus on those from disadvantaged backgrounds.

5 HOSTELS

We provide accommodations that promote a value-based education for university students or working women.

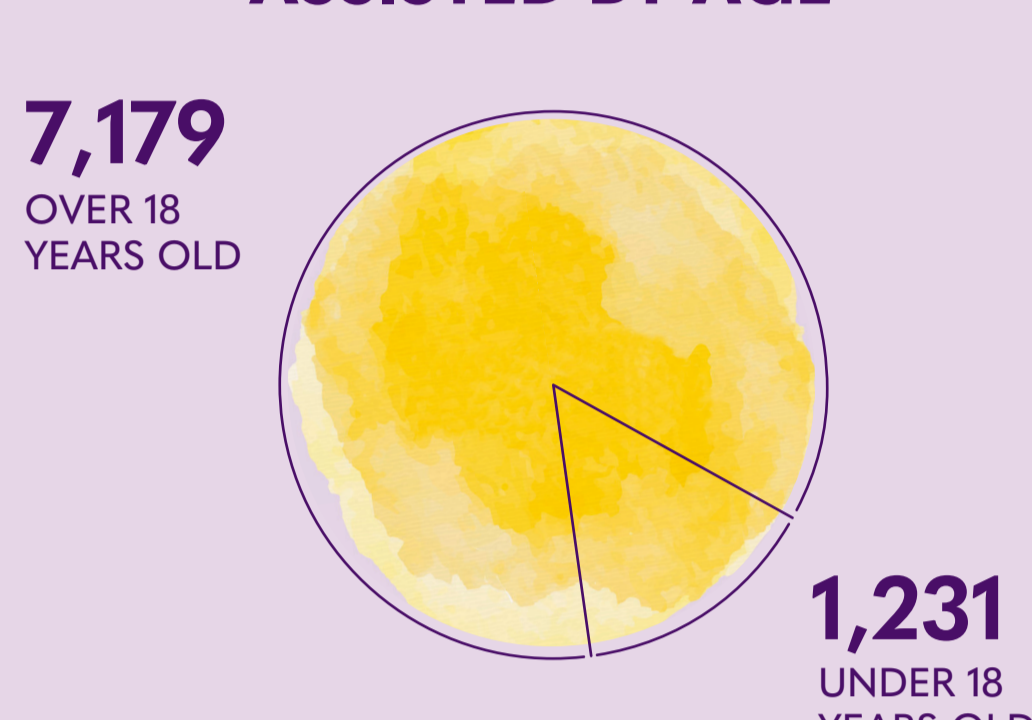

ADORERS' SOCIAL WORK

Throughout 2022, there have been numerous brave and courageous women who have chosen to embark on a journey of accompaniment through the various programmes we develop, enabling them to experience **"love, liberation, and encounter"**.
